INAM DEPARTMENT.

NOTIFICATIONS.

No. 10. *The 8th September* 1875.

It is hereby notified, for general information, that the investigation of inams in the marginally noted hoblis of the Magadi Taluk, which are adjacent to the Nelamangala Taluk, will be commenced on the 1st proximo by Mr. Syed Nasiruddin, Assistant Superintendent, at the kasba of the latter taluk.

1. Gudemarnhalli.
2. Solur.
3. Tavarekere.

All parties interested in the said inams are directed to attend the office of the Assistant Superintendent at Nelamangala, either in person or by Vakil, in due time, to prosecute their claims; in default their inams will, in the first instance, be attached, and afterwards finally resumed.

No. 9. *The 18th August* 1875.

The subjoined statement from the Inam Settlement Office shews the extent and other particulars of inams, the holders of which have declined the enfranchisement offered for their acceptance under Land Inam Rule No. 6, Clause C.

2. The reversionary right of Government to this description of property not having been compromised in the Inam Superintendent's settlement, its holders cannot exercise the right of alienation by gift, sale, bequest, mortgage or otherwise.

3. On the death of the parties mentioned in the list, the Amildars should report the lapse to the Inam Superintendent for orders, holding their inams under sequestration in the meantime, and should state in the Arzi whether there are any of the heirs of the description ("Rule VI,") mentioned in Clause B of the same rule.

The report on the lapses should invariably be accompanied with a genealogical tree of the family, and a brief but succinct account of the nature and the validity of adoption, if any claim is set up on that score.

4. The Commissioners of Divisions are requested to direct their subordinate Courts not to entertain civil suits involving unenfranchised inams after the publication in the *Mysore Gazette* of the names of the inamdars who have declined to accept the terms of enfranchisement offered to them, and the Registrar General is also requested to instruct the District and Sub-Registrars to reject invariably the registration of all documents in support of alienation of unenfranchised inams.

5. The fact of enfranchisement or otherwise can be ascertained from the Inam Superintendent's title-deeds, and in their absence by a reference to the copy of the Inam Register in the Amildar's Cutcherry.
